

Air Cadets Presented Awards

Royal Canadian Air Cadets parade of Thursday, September 18th saw presentation of awards won by Drayton Valley Cadets at Summer School in Penhold this past summer. Civilian Committee Chairman Dale Gaehring and Squadron Commanding Officer Captain W. G. Johanneson join in congratulating (from left to right) LAC Danny Wickland for winning three awards - 1 for Track and Field and 2 for Swimming; ACl David Wensley for winning a Track and Field award; and Cpl. Patrick Coppens for being named Top Cadet in his Flight. When you consider that there were nearly six hundred cadets at this summer camp, these three cadets did Drayton Valley and No. 733 Squadron real proud.

Two Stores in New Premises

Two Drayton Valley business places are in the process of moving this week. Donald McKenzie Men's Wear will open a new store next to the Treasury Branch this weekend. A big weekend opening event is planned with prizes and coffee offered along with a welcome to everyone to visit the attractive new store. Just down the street Ron McCartney is busy moving the Marshall-Wells Store to its new location in the former Drayton Valley Foodland premises. Remodelling and moving are going on simultaneously and it is business as usual with an official opening planned for early October.

Plan Car Wash

Car need a wash job? Hold on until Saturday, September 27th and let the Air Cadets do the job for you. Members of the Corps will be holding a car wash at Frank Andrews Gulf Station to raise funds for the organization. For a real good \$1.00 wash job bring your car down to the Gulf Station between 9 a.m. and 6 p.m. Saturday. The cadets would appreciate your patronage.

Statistics Reveal Interesting Story

Some interesting statistics have been unveiled by Town Secretary-Treasurer Bill Johanneson in researching a request by Trade and Commerce magazine for information for a study of the community.

The magazine is interested in population and business growth patterns of the town during the past ten years for the benefit of business executives who will read the magazine's report to assist in the location of industrial plants, warehouses, branch offices and so forth.

The town's population in 1968 was 3,600 with a gross income of \$7,950,000 compared to a population of 2,945 and gross income of \$3,900,000 in 1958.

The 1969 trading area population is reported at 20,000 with a gross income of \$42,500,000 compared to 12,700 and an income of \$16,000,000 in 1958.

Construction permit value was down to \$691,630 in 1968 compared to 1958's \$1,290,000; however the 1969 assessment is \$4,395,000 to \$2,135,000 in 1959.

Retail trade value in 1968 is

reported as \$6,300,000 against \$1,750,000 in 1958.

Tomahawk Club Plans Banquet

The Tomahawk 4-H Beef Club executive met on September 9th at the home of Mr. and Mrs. Enjeneski.

The 4-H banquet will be held on October 24th at 7:00 p.m.

The masters of ceremonies were selected and Rodney Jouan and Cheryl Ditchuk were chosen.

Mr. Scheideman was put in charge of the entertainment also the members who took part in Public Speaking will be asked to give a speech.

Joan Scheideman and Bobby Enjeneski will be the ushers for the night.

Wind-Up Rodeo This Weekend

Western fans are reminded of the wind-up rodeo to be held at the Lions West Valley Park in Drayton Valley this weekend.

The rodeo will run over two days with Saturday's events featuring the top six contestants who followed the Sharkey circuit competing for this year's trophies. A Little Britches Rodeo will also be held Saturday.

A jackpot rodeo and flat races will be Sunday features.

Don't pull the trigger until you are sure.

Several Candidates For October Election

Nominations were received September 17th by Returning Officer Bill Johanneson and an election will be held on Wednesday, October 15th to fill school and council vacancies.

Two candidates are contesting the mayoralty; former mayor Howard W. Pickup and merchant Dale Gaehring.

Two council vacancies are being contested by Robert Huber, Denis P. Meier, Inez Oscar and R.B. Smith, the present member whose term has expired. Councillor Mary Burrows and Mayor Henry Shimbashi have also reached the end of their terms but both declined seeking re-election.

Three candidates are contesting two seats on the R.C. Separate School Board. They are Allan Horne, Eugene Meraw and J.L. Serenas.

Henry Deby was elected by acclamation to the Drayton Valley Municipal Hospital Board.

The position of town representative on the School Committee of Parkland County is being contested by the present member, T. Johnson, and John Tyler, a former member of the Stony Plain School Division Board.

F.G.A. Meeting

Regular general meeting of the Pembina Oilfield Fish and Game Association will be held in the Goliad Safety Hall at 8:00 p.m. on Thursday, September 25th. Movies to be shown.

Five Candidates At Entwistle

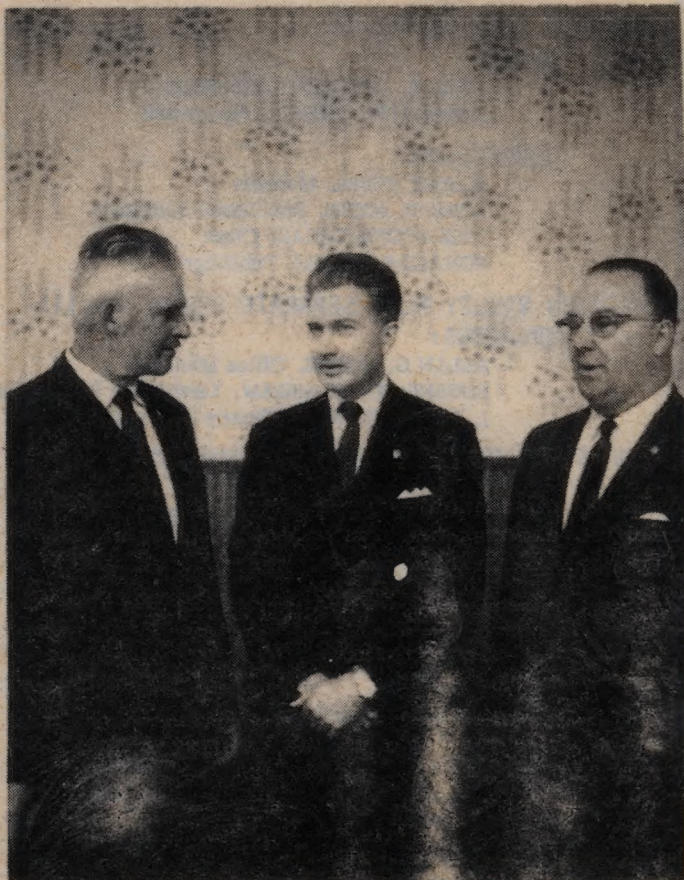

Five candidates are seeking election for two Council vacancies in the Village of Entwistle. Those nominated are: Gordon MacKenzie, Norman Sinclair, Forrest Bancroft, Kenneth Marion, and Jack C. Swinnerton.

Donald Gylander was elected by acclamation as village representative on the County of Parkland School Committee.

Big Game 5 Opens Saturday

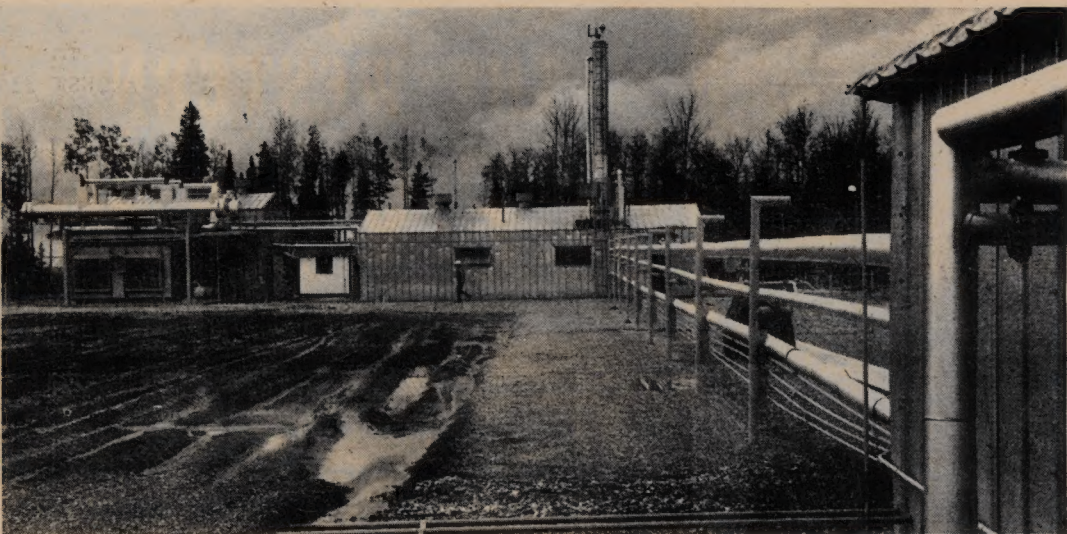

Big Game zone 5 to the west of Drayton Valley opens this weekend and will likely be a hot spot for area hunters who can reach hunting country in a matter of minutes from home.

The season opens Saturday, September 27th for male white-tails, mule deer, moose and elk. Upland bird season in U.B. 3 to the west of Drayton Valley, also opens September 27th.

Lions Zone Meeting

Shown at the Lions Zone meeting held at the Cardium Room in Drayton Valley Sunday afternoon are (left to right) Zone Chairman, Fred Schipper of Drayton Valley; District Governor, Andy Fraser of Edmonton; and District Deputy Governor, Alex Boychuk of Stony Plain.

One of the illustrations accompanying the feature story in "Horizons" magazine was this view of the Lobstick Glaucanite plant, six miles north of Drayton Valley. It is one of the several plants in the area that process gas from the Pembina field.

Review Pembina Field Activity

The current copy of "Horizons" the magazine of Pan American Petroleum Corporation contains a feature story on the newly-incorporated AMOCO Canada Petroleum Company, a Canadian subsidiary of Indiana Standard.

The Pembina Field is mentioned as the area where Amoco Canada and its predecessors have been major producers since 1954, and which is still Canada's largest producing oilfield.

Though new in name, Amoco Canada is actually the end result of 21 years of rapid growth. Its rise to success is in many ways indicative of the spectacular manner in which the Canadian petroleum industry itself has mushroomed within the same period of time.

When Amoco Canada's predecessor began operating in Calgary in 1948, it had only eight employees and no production. Today, the company employs over 1,000 people and has crude oil and natural gas liquids production averaging about 45,000 barrels daily, as well as natural gas sales of about 190 million cubic feet and daily sulfur production of more than 700 long

tons.

With general offices in Calgary, Amoco Canada is federally chartered in Ottawa and registered to do business in all provinces and territories.

Earlier this month, Indiana Standard's shares were listed on the Toronto Stock Exchange -- and for the first time, the familiar SN symbol flashed across Canada as transactions were recorded on the tape.

Although it was 1952 before Pan Am established its first Canadian production, the company's rate of growth accelerated sharply in the middle 1950's. The impetus for much of this surge came from its success in helping to develop two of Canada's largest and best-known fields -- Pembina and Swan Hills of Alberta. Today, despite increased attention to many other areas, these two oil fields are still Amoco Canada's most productive.

In 1955 the company began exploration work in the remote, mountainous region near the junction of the borders of British Columbia, the Northwest Territories and the Yukon. This

activity, which still continues, has resulted in the significant gas discoveries at Pointed Mountain and Beaver River.

Today, Amoco Canada is active in several of Canada's hottest plays in the Kaybob South and Ricinus-Phoenix areas of Alberta and the Mackenzie River delta region of the Northwest Territories, the latter located well within the Arctic Circle and 1,000 miles beyond the last road.

BURTONSVILLE NEWS

Gordon and Marie Raymond accompanied by Axel and Emma Homme motored to Riding Mountain, Manitoba where they spent a few days with Marie and Emma's sister Acta and her husband Wilfred Tyler.

Wilfred took them all sight-seeing around the home neighborhood. Then Gordon took them all to the Riding Mountain Park where much of interest. A visit to a museum was included.

Up to September 15th there had been no frost in their area and the Tylers had two trees of apricots which had been gathered and preserved. The fields of grain in all three provinces were a beautiful sight.

The weather was co-operative but all were happy to return home in time to gather in the remains of gardens that had not been completely frozen.

Edmonton Church Setting For Recent Ceremony

A very pretty wedding was solemnized in the Church of the Resurrection, Edmonton, on August 22nd, when Sharon Eileen Phelan eldest daughter of Mr. and Mrs. John Phelan of Edmonton became the bride of David John Pattison, second son of Mr. and Mrs. John Pattison of Drayton Valley. Rev. Father Crough officiated at the double ring ceremony.

Given in marriage by her father, the bride appeared radiant in a floor length gown of seta poi in traditional white. The yoke of the sleeveless bodice was of imported french lace. The overcoat featured front panels and a full length train, accentuated by applied lace. Her sweeping veil of illusion net, misted from a tiara of seed pearls. She carried a nosegay of white daisies and baby's breath.

The bridesmaids were Miss Maureen Phelan, Miss Elizabeth Phelan, sisters of the bride and Miss Carol Pettison sister of the groom. They wore cocktail length frocks in pastel shades of organza over taffeta, they wore matching picture hats and carried bouquets of daisies and baby's breath.

The best men were Raymond Beland, Robert Pattison brother of the groom and David Hoff. Garry Pattison ushered the guests to their pews.

The pianist was Mrs. Frieda Anderson and soloist Mrs. Murray both of St. Michael's parish.

A reception for 100 guests was held in the Riviera Motor Hotel. Mary Ethel Phelan and Lorraine Pattison were in charge of the guest book. For receiving the bride's mother chose a satin-back, slub-linen dress in aqua with matching accessories and

wore red roses corsage. Mrs. Pattison, mother of the groom chose a coral three piece suit of fortrell and matching accessories. She wore a corsage of white camellias.

Master of ceremonies was Floyd Speight of Metiskow. Sidney Sparier proposed the toast to the bride. Jack Phelan very graciously welcomed his new son into the family. Greetings were brought from Bert Cox of Consort, Sharon's former home, and from Michael Gormley, Recreational Director of Drayton Valley. A dance followed, with music by Al Breaux's orchestra.

For the honeymoon trip to the mountains, the bride chose an Italian knit coat and dress ensemble of navy blue and white with matching accessories. She wore a corsage of red roses. On their return to Edmonton, Mr. and Mrs. Pattison will make their home there and attend university.

Reminder

Residents of the community are reminded of the testimonial dinner and farewell gift planned for Dr. and Mrs. MacIure.

Anyone who would like to contribute toward the gift is asked to do so before the end of September at either the Royal Bank or Treasury Branch, and to sign the farewell card.

QUALITY PORTRAITURE

EDITORIAL COMMENT

Our Image . . . Good or Poor?

The ways of government are strange indeed! Our administrators in Ottawa can't see their way clear to building a post office in Drayton Valley representative of the size and prestige of the community being served (they prefer a lease arrangement); however they don't seem to mind scrapping an aircraft carrier on which they have just lavished a 14 million dollar refit. It's true that operating costs are extreme but wasn't there some inkling of what was in store before the refit had gobbled up that sum?

Canada likes to be known as a middle-sized wheel in world affairs yet we're prepared to reduce our armed forces to about the size of the most insignificant members of the world community. This is the way to have an effective voice at the international level?

And this, in the name of economy while we continue to fritter away millions on the C.B.C. that just begs for some large-scale cost trimming.

Just society, indeed! Other appropriate names come to mind readily.

Be Prepared, Good Advice

Another hunting season will be launched in our area this weekend and now is a good time to mention the hazard of entering forested areas without adequate equipment to survive outdoors for a day or two if this unfortunate circumstance should be your fate.

Compact survival kits should be a part of every hunter's equipment. But failing that, you should at least be prepared with adequate clothing and the means of providing a fire to make a night outside at least bearable.

Without them you could spend a very, very miserable night. And it might be your last.

Summary Regular Meeting Of Parkland Council

Minutes of regular meeting of the Council of the County of Parkland No. 31 held in the County Office on Monday, September 8th.

Members present were Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors Robert A. Bailey, Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

Mr. T. Ingwersen of Edmonton was present at the meeting regarding access to a part of the south side of Jackfish Lake in the NW 9-52-2-5. It was agreed that the Public Works Committee of the Council make inspection and recommend what action should be taken.

Mr. Robert Bryden of Edmonton was present at the meeting regarding maintenance of mobile radio equipment.

Mr. Ernest F. Lutz of Carvel called on the Council in connection with the access road on the NW 9-52-2-5 to Jackfish Lake. Notice submitted that permission to trespass on these lands was not given. Accepted for information.

Messrs. John Shenfield of Spruce Grove and Adolph Shep of Stony Plain - Spruce Grove Rural Electrification Association Ltd. were present at the meeting requesting permission to locate a power line on the road allowance east of the SE 1-52-1-5. It was agreed to grant this permission on the condition that the Rural Electrification Association assumes the cost of moving the line if required for road construction purposes in the future.

Request for removal of drainage obstruction at Lot 9, Block 2, Plan 6053H, W. South Seba Beach was received from Mr. Douglas Kernode of Edmonton. Councillor Mann reported progress.

Request for construction of the road between 27 & 28, 33 & 34-51-6-5 and the SW 3 & SE 4-52-6-5. The Public Works Committee to inspect. No progress reported.

Request for construction of the road on the east side of section 20-50-5-5 received from Mr. Emil Richter of Tomahawk. It was agreed that this request be placed on the 1970 Public Works agenda for construction of an access to the NE 20-50-5-5.

Offer to purchase Lot 15, Block 4, Plan 1593H, W., Skyland Gardens received from Mr. Hans Rathman of Edmonton. Public Works Committee to inspect. No progress reported.

Request for improvements to the road through 27, W/SW27 & S/28-53-7-5 received from Magnolia F.U.A. Local No. 522. Councillor Mann reported that sufficient gravel has been applied to these roads to make them satisfactory for the balance of this year, at least.

CONSTRUCTION MANAGEMENT SEMINAR

Notice received that a seminar for construction superintendents

will be held in Edmonton on January 29th to February 1st, 1970.

It was agreed that Edward Weber, Robert Pezzot, Lyle Akins and Arthur Kidner be authorized to attend this seminar.

Request for improvements to the road west of the NW 15 & SW 22-53-25-4 received from Northwest Brick and Tile. Referred to Councillor Miller for attention.

Mr. John Simko of Carvel called on the Council and requested improvements to the road west of the NW 32-52-2-5. It was agreed that this road be inspected by the Public Works Committee along with the road west of the NW 31-52-2-5.

MUNICIPAL INSPECTOR'S REPORT

Report of inspection relating to the affairs of the County, made on August 14th and 15th, 1969 was read to the Council. The report was accepted and ordered filed for presentation at the next annual meeting.

PRAIRIE FARM ASSISTANCE ACT

It was resolved that application with respect to Prairie Farm Assistance be submitted pursuant to Section 3 of the Prairie Farm Assistance Act.

Written report submitted by Councillor Mann was read to the meeting advising that the owner of the NW 5-54-6-5 is prepared to sell 2 acres of land along the north side of the quarter for road purposes for the amount of \$100 per acre. It was agreed to accept the report and proceed with the acquisition of the land.

Petition containing 10 signatures of ratepayers in Normandeau Gardens was presented to the Council requesting that street lights be installed in that subdivision.

This matter was referred to Councillor Miller for investigation and recommendation.

It was agreed that recipients of Social Welfare benefits be required to pay regular mobile home licence fees.

MINUTES OF SAFETY COMMITTEE MEETING

The minutes of the last Safety Committee meeting held on June 26th, 1969 were read to the Council with the recommendations that small County Decals be obtained for use as emblems on employees hard hats and that Mr. Warren Campbell be paid mileage for attending the Safety Committee meeting.

The minutes and recommendations were accepted with authorization to obtain 200 decals of the type requested.

Notice received that the 1969 convention of the Alberta Association of Municipal Districts and Counties will be held in Edmonton on November 18th to 21st inclusive. It was agreed that all members of the Council, the Secretary-Treasurer, the Assistant Secretary-Treasurer and the Chief Assessor be authorized to attend this convention with regular subsistence rate paid.

One tender for the amount of \$180 was received for the residence at Gainford on Pt. SE 22-53-6-5. It was agreed that this tender be not accepted as it is too low.

TENDERS FOR SALE OF COUNTY OWNED LANDS

It was agreed that the following lands be offered for sale by sealed tender: - Pt. SE 8-53-2-5, 3 acres; SW 30-53-2-5, 160 acres; NW 30-53-2-5, 158 acres; NW 27-51-5-5, 156 acres; NE 27-51-5-5, 156 acres; SE 17-51-6-5, 161 acres; SW 28-54-6-5, 160 acres; NE 31-54-6-5, 146 acres.

Terms to be cash and tenders to be accompanied by a certified cheque or money order of 10% of the amount of the tender, the balance of the accepted tender price to be paid within 30 days of acceptance of tender. Tenders to be submitted by October 10th, 1969 and the lowest of any tender need not necessarily be accepted.

Mr. Frank A. Ewer of Spruce Grove was present at the meeting regarding employment as a Police Constable.

County Baseball Finals Decide League Winners

The Parkland Baseball League has finally come to a close.

The first year of operation was most successful with just a few adjustments to be made.

The champions were: 6 - 9 year old, Tomahawk; Little Canadian, Tomahawk; Bantam, Drayton Valley; Ladies Fastball, Seba Beach and Tomahawk; Mens Fastball, Sundance.

Also in the Little Canadian league, the Parkland Champions Tomahawk and the Highway 16 Baseball League Champions Stony Plain played a best of three series to decide a Parkland Regional Champion. Tomahawk won this series two games to one in a hard fought series and were declared the champs.

A week later the Little Canadian Champions throughout the Province played a tournament in Warburg to see which community would be the Provincial Champions.

The Parkland region again was represented by Tomahawk and Stony Plain and when the dust settled, the Stony Plain Little Canadians were the Champions of the Province. The tournament was a double-knockout affair

with Stony Plain playing 5 games and winning four to the championship. Tomahawk lost both games but in each game went down swinging. They lost to Stony Plain 6-5 and then to Warburg 9-8.

Stony Plain defeated Tomahawk 6-5, Edmonton 9-2, Warburg 9-6, then lost Warburg 4-9 before taking them out in the final game 8-6.

Congratulations to both the teams that represented Parkland. Tomahawk - Parkland Regional Champions. Stony Plain - The Champions of Alberta.

Greatest grain getter- ever!

Massey-Ferguson
MF 510

The recognized leader among giant combines...now with these major improvements to challenge your biggest combining jobs:

- **New Triple Screen Cascade Shoe** is the first breakthrough in shoe design since invention of the threshing machine. Three screens are used instead of the usual two to prevent matting of material. A 25% larger cleaning area greatly increases grain cleaning ability.
- **New "Returns Cylinder"** is a genuine rasp bar cylinder like the main cylinder; it threshes over 90% of the returns. This independent processing of returns in a separate cylinder allows the main cylinder to always be set for optimum speed and concave clearance.
- **New Front Beater** feeds material smoothly and evenly into the cylinder. Beater also deflects stones into a New, Extra Large Stone Trap to prevent damage.
- **New Quick-Attach** puts you in the field faster—you can switch from corn head to bean table or back again in five minutes!

The MF 510 has thorough threshing capability that gets more grain whether harvesting conditions are good or bad. Cutting, separating, and cleaning are done with remarkable efficiency and speed—even in thick stands, in down crops. You have from the driver's seat control over virtually all adjustments. Table sizes up to 24-foot. Huge 85 bu. grain bin (or 125 bu. with optional extensions). Optional Hydrostatic transmission.

Everything about this magnificent self-propelled combine is dedicated to keeping it in the field...working full time and at full speed...with minimum stops for servicing. If you're looking for the ultimate in combine performance, look no further than Massey-Ferguson's MF 510. Come in soon and let us show you the newest and biggest advances in combining.

Regular Meeting County Council

(Cont. from Page 6)

REQUESTS FOR ACCESS TO LOTS IN WHITEWOOD SANDS SUBDIVISION

Written report of inspection made by Councillors Lent and Mann was read to the Council regarding a request for improved access to Lots 32 to 35, Block 4, Plan 20590, Whitewood Sands.

The Committee recommends that Lake Street west of Sunset Avenue be improved and the avenue leading to View Street be opened, a total of approximately 700 feet, of which half would be new construction. In addition, to improve sight distance on View Street east of Sunset Avenue.

Report and recommendation accepted.

Complaint regarding interference with beach access at Fallis was received from Mr. G.H. Byce of Edmonton.

Written report of inspection made of the complaint by Councillor Mann was read to the meeting. The report covered interviews with the people involved and recommended certain actions to be taken.

BY-LAW NO. 22-69

A by-law authorizing the placing of Stop Signs at the following locations received first reading on motion of Councillor Vowk, second reading on motion of Councillor Mann, third reading on motion of Councillor Miller and finally passed by unanimous consent of the Councillors present:- At the north-west corner of the NW 34-49-7-5, facing south and at the south-east corner of the SE 4-50-7-5 facing north.

The meeting adjourned at 6 p.m. to meet again on Tuesday, September 9th.

The meeting was called to order at 1:30 p.m. on Tuesday, September 9th.

Members present were Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors Robert A. Bailey, Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

FINANCIAL ASSISTANCE FOR CEMETARIES

Request having been received from private cemetery organizations for financial assistance a lengthy discussion was held concerning this matter. It was moved that the County support only County owned cemeteries. The motion carried with Councillor Vowk voting against the motion.

BY-LAW NO. 23-69

A by-law providing for the making of Charitable Grants in amount of \$2,559.96 received first reading on motion of Councillor Miller, second reading on motion of Councillor Bailey, third reading on motion of Councillor Mann and finally passed by unanimous consent of the Councillors present.

A petition containing 27 signatures was presented to the Council requesting that the road from Wedgewood Estates north and east through section 16-52-25-4 be improved. It was agreed that this road be regravelled and oiled.

Request for "Yield" signs at the intersection at the south end of the road through the centre of section 27-52-2-5 was received from Mr. Steve Zelych of Edmonton. It was agreed that a "yield" sign be placed at the south-west corner of the SE 27-52-2-5 facing east.

It was agreed to install a wind-row eliminator on the Champion motor grader operating in Division 1.

Councillor Bailey reported that residents in the subdivision in the SE 26-51-26-4 are gaining direct access to the main road from their parcels of land rather than by way of the interior road.

This matter was referred to the Public Works Committee for inspection.

BY-LAW NO. 24-69

A by-law providing for an amendment to By-law No. 27-68 which provides for the levying of a penalty on unpaid taxes on the first day of October, as follows received first reading on motion of Councillor Lent, second reading on motion of Councillor Bailey, third reading on motion of Councillor Mann and finally passed by unanimous consent of the Councillors present:-

The penalty section of By-law No. 27-68 is hereby amended to read:-

"That all taxes, excepting those amounts receivable under the provisions of The Homeowners Discount Act where the taxes have been paid in full less the applicable amount of the Homeowners Tax Discount, shall be required to be paid on or before the 30th day of September of each year or within 60 days after the date of mailing of the tax notice, whichever date occurs later, and if after aforesaid later date any taxes which become due and payable in that year or any preceeding year, excepting those amounts receivable under the provisions of The Homeowners Tax Discount Act, remain unpaid there shall be added thereto by way of penalty an amount of Four Per Cent (4%) on the first day of October or after the expiration of 60 days after the date of mailing of the tax notice, whichever date occurs later of that year and each succeeding year so long as the taxes remain unpaid and any penalty imposed hereunder shall be added to and form a part of the unpaid taxes."

FALLIS NEWS

Miss Penny McCulloch, 17 year old daughter of Mr. and Mrs. Robert McCulloch of Fallis was the lucky winner of the 1969 Darwell Agricultural Fair Queen Contest. She was crowned at the banquet and dance held at Darwell on August 30th.

Penny wishes to send a special thank you to Mr. and Mrs. William Buchanan of Buchanan's Service at the Fallis Corner for sponsoring her and to all the people who purchased tickets. Also thanks to Mrs. Pat Dryer for her assistance and to Mr. Jim Burns for asking her to enter the Queen of the Fair Contest.

Following the crowning ceremony Penny was presented with a beautiful two-piece luggage set.

Mr. Norman Gillow of Hinton was a recent guest of Mr. and Mrs. R. McCulloch.

Brian and Mark Yates are employed on the C.N.R. extra gang in B.C.

Mr. and Mrs. R. Patrick, Mrs. Joyce Harris, Gerald and Patricia recently returned from a holiday trip to Cranbrook and Creston, B.C., Northern Idaho, Radium Hot Springs, Banff, Lake Louise and Calgary.

Mr. and Mrs. Dennis Yates enjoyed a recent camping trip to the Kootenay Lake area, Creston, Field and Golden, B.C. Banff, Rocky Mountain House and Jasper Park areas.

Lawrence and Betty McDonald have returned from a trip to Calgary. They were guests at the home of Betty's sister (Mr. and Mrs. Frank Keeler and Ken). They had a wonderful time visiting with friends and relatives and also visited the Calgary Zoo and the Horseman's Hall of Fame at the Calgary Brewery.

The Fallis Community Association would like to thank the ball coaches, their assistants, umpires and all those who helped during the ball playing season.

Mr. and Mrs. Frank Winters of Edson are presently holidaying in the United States. Planned stops were to be in Idaho, Seat-

tle, Vancouver and possibly to Mexico.

Home Economists Speak At Womens' Institute Meet

Mrs. Joyce Pearson and Miss Joanne Roberts of the Home Service Department of the North Western Utilities Ltd. were guests at the W.I. meeting held on September 15th at the home of Mrs. H. Hammerlindl. Fifteen ladies listened to two very interesting talks by these Home Economists, on the buying and laundering of the new synthetic materials now on the market. Two booklets, "For Festive Feasting 1969" and "The Laundry Book", were given to those present.

Treasurer reported we had lost money on the Flower Show but we all felt the show worthwhile from the standpoint of beauty, interest and enjoyment. Consideration was given to the

possibility of having an Agricultural Fair in Drayton Valley.

Mrs. Olga Brown reported a very active Girl's Group again starting the year's activities.

The Constituency Handicraft Tea is scheduled for November 13th at Onoway.

A report on the building of a rest room informed us that very few Service Clubs in Drayton Valley were interested in donating any money towards it and the Town Council did not feel the urgent need for one.

Mrs. Hammerlindl received a souvenir spoon for perfect attendance during the past year.

The next meeting, third Monday in October, is to be at the home of Mrs. R. Burrows with the United Nations as the theme.

Smile Helps a Lot

"If I possessed a shop or store, I'd drive the grouches off my floor! I'd never let some gloomy guy, Offend the folks who come to buy.

I'd never keep a boy or clerk... With mental toothache at his work, Nor let a man who draws my pay, Drive customers of mine away.

I'd treat the man who takes my time, And spends a nickel or a dime With courtesy and make him feel, That I was pleased to close the deal.

Because tomorrow, who can tell, He may want stuff I have to sell And in that case, then glad he'll be, To spend his dollars all with me.

The reason people pass one door, To patronize another store, Is not because the busier place, Has better silks, or gloves, or lace.

Or special prices, but it lies, In pleasant words and smiling eyes, The only difference, I believe, Is the treatment folks receive!"

SEBA COMMUNITY LEAGUE PLANS YEAR ROUND ACTIVITY

Seba District Community League will soon come of age. Formed in May as a group to sponsor the summer playground, the majority of members felt that there was much to be done to encourage recreational and community activity year round for young and old.

An executive composed of E. Morris President, M. Grande, Vice-President, M. Szkaluba, Secretary and C. May, Treasurer, directed the affairs of the newly-formed group during the summer months. In addition to sponsoring the playground for the children, the new league sponsored eight softball and baseball teams which competed on a scheduled basis throughout the summer playing teams from Sundance, Tomahawk, Entwistle, Moon Lake and Drayton Valley.

On August 22nd, a very successful wind-up banquet and dance was held for the senior teams. Mr. C. Armstrong the director of the Parkland Regional Recreational Council was present to present the trophies to the league winners.

The fund raising committee directed by Mrs. G. Korsa, Mrs. T. Toronchuk, Mrs. J. Tym-

chuk and Mrs. G. Holenko held bake sales, teas and sold confectionary at ball-games and bingos.

A bingo committee sponsored a regular Wednesday night cash bingo during July and August.

Activities should soon be in full swing for a winter season. A varied program will be offered to residents of Seba and surrounding district.

Mr. and Mrs. D. Hatto who attended a summer recreational school at Drumheller are canvassing the district to ascertain the number of people who wish to enroll in evening courses. Great interest is being shown in dressmaking, keep fit classes, auto mechanics for ladies, modern square dancing and business courses.

A bingo committee composed of C. May, E. Morrie, R. Bobryk, M. Grande, and D. Timmy will begin a bi-weekly jackpot bingo on Monday, September 22nd at 8 p.m. The jackpot will begin at \$80 and 50 calls.

The aim of the league is to provide a full recreational and educational program for the residents of Seba and district. From the enthusiasm shown so far it appears that the aim will be accomplished.

A.G.T. Plans Buried Cable

Alberta Government Telephones is carrying out a \$852,000 buried co-axial cable program to provide improved service between Breton, Calmar, Devon, Leduc, Thorsby, Warburg and Edmonton.

Conduit is being prepared at all locations this summer. The actual co-axial cable will be laid commencing in 1970 and completed in 1971. Removal of the old open wire pole lines will be the last stage in the project.

MAGNOLIA NEWS

A large crowd attended the funeral of Mr. W. Anderson in the hall on Friday, September 12th.

Friday visitors in this community were Mr. and Mrs. Roy Flesher and Mr. Earl Dawson, all of Edmonton. Also visiting were Mrs. C. Evenson of Mirror, Alberta and Mrs. Gwen Jarvis of Alex, Alberta.

Mr. Rudolph Gylander left by plane on Saturday, September 13th for a three week trip to Sweden and other points.

The first ladies meeting of the fall season was held at the home of Joyce Manchester with Donna Ekroth as co-hostess. About ten ladies were present. It was decided to hold a turkey supper in the Magnolia Hall on October 5th to raise money for the Christmas party. If you would like to enjoy a very good turkey supper with all the trimmings, remember October 5th! Nora McCracken won the tea prize. The next meeting will be held at Ruby Brown's.

We are happy to learn that Robbie Brydges is able to be home from his two week stay in the Stony Plain Hospital. Robbie's parents are Pat and Terry Brydges.

Don Rose is employed by Schering Contractors of Edson as a truck driver. Connie accompanied Don back to Edson this week.

Saturday visitors with Ray and Della Storms were Babe Storms, Doreen Wenaas and her sons, Dennis and Dwayne, all of Drayton Valley.

Mr. and Mrs. Charles Anderson and family were pleased to welcome Miss Betty Schram of Burnaby, B.C. for a two week visit.

Birthday greetings go to two sisters in the community. They are Miss Gladys Chechotko and Miss Debbie Checkotko. Gladys was 19 on Sunday, September 14th and Debbie was 14 on September 15th. A party was held on Sunday for the family and some friends. Gladys and Debbie are the first and second daughters of Mark and Sophie Checkotko.

The Magnolia Hall was the scene of a farewell party for Jack and Evelyn Cameron and their family during the evening of Saturday, September 13th. Approximately 45 friends gathered to honor the Camerons and wish them well in the future.

BERRYMOOR NEWS

Mr. and Mrs. Murray Schneider and family of Drayton Valley and Mrs. L. Malin and family of Buck Creek were Sunday visitors at the home of Mr. and Mrs. Donald Martin.

Some of our local hunters were out last weekend but had to return home empty handed.

It has been announced that Bill Gilchrist of Berrymoor and Miss Rose Reynolds have made plans to be married on September 27th. We wish these two young people much happiness. Their wedding dance will be held in the Hoadley Hall in the evening and everyone is welcome.

Tom Horsman has returned home from a brief visit to B. C. where he visited members of his family.

We are glad to report that Orville Johnson of Lindale has returned home from quite a stay in an Edmonton hospital.

Brian Thorsen of Calgary is staying with his brother, Dwayne and helping with the harvest.

Happy travelling to Mrs. Elizabeth Bell who is away on a holiday trip overseas.

Art Tweedle has returned home from a holiday trip.

Jack Loader has had a visit from his brother, Bill, of Calgary.

Mr. Fred Worth of Medicine Hat has been visiting for a few days at the home of Mr. and Mrs. George Martin. Mr. Worth and Mr. and Mrs. Martin were neighbors near Biggar, Saskatchewan in the early 30's and have not seen each other since. They had a wonderful visit and recalled many memories.

Mr. and Mrs. E. Van Ember and family motored to Edmonton on Sunday, September 7th and visited at the home of Mr. and Mrs. Ivan Whittaker and family.

The annual get together of district old timers will be held at the Camwood Community Centre on the evening of September 24th. An interesting program is planned and a good attendance is hoped for.

Mr. Finney, principal of the Lindale School has had the pleasure of a visit from his parents and brother and sister-in-law during the past few weeks. These folks are from Lancashire, England and we hope that they enjoy their trip to Canada.

At a bingo held at Whirby on Thursday, September 11th, Mrs. Ann Van Ember of Berrymoor was a jackpot winner.

Saturday, September 13th was a very busy day around the home of Mr. and Mrs. Jim Martin. This was the day they got their house moved onto the basement. This project has been postponed from an earlier date due to heavy rain, but this time it was completed successfully.

Get well wishes are extended to Mrs. Muriel Campbell who has been on the sick list for the past week.

The local women's softball team concluded their season's activities with a wiener roast and supper at a picnic site on Matt Leake's place on the evening of September 13th. Despite the threat of rain a very enjoyable time was enjoyed by all who attended. The girls surprised their coach with a gift and card of thanks as a token of their appreciation for his efforts on behalf of the team.

The Breton High School football team got off to a flying start on September 12th by defeating the Calmar High School team by 26-0. Keep up the good work boys.

Mrs. McKenzie and her daughters Margaret and Barbara of Drayton Valley visited on Sunday at the home of Mr. and Mrs. George Van Ember.

Miss Leanne Johnston, who is attending school in Edmonton, spent the weekend with her mother, Mrs. Florence Johnston of Berrymoor.

RELIGIOUS DRAMA WORKSHOP

The first Provincial Religious Drama Workshop ever held in the Province will be presented in Edmonton at All Saint's Cathedral, October 3rd, 4th and 5th.

The workshop will be called "Drama in the Church" and will explore techniques and ideas for developing drama for a church setting, either to reinforce the religious theme or as a presentation on its own.

SUB-MITS FROM THE ELEMENTARY SCHOOL

Dear folks,

Another week has passed and school is again becoming a routine. This week I'd like to touch on the hi-lites of something most of us take for granted - the Safety Patrol.

The Safety Patrol is an important aspect of school life. Firstly, we hope it relieves the minds of a few parents whose children cross these busy intersections. Secondly, the children themselves learn to cross properly. Lastly, it provides training and discipline for the students who are members of the patrol.

The children who patrol come from the grade four classes. Each spring the call for volunteers goes out to the grade three classes. Out of the very many who would like to patrol, only about 40 are chosen. Personal qualities and scholastic effort are taken into consideration.

The school works in cooperation with the Town Police and AMA in the organization of the Patrol. The children are not paid, but in appreciation of their efforts are presented with a theatre pass. At the end of the year, each child also receives an award of Merit.

We feel it has been a successful undertaking and one that has been appreciated. The only complaints are concerning a few older children who are rude and push aside these patrols. Amazingly enough it should be the older ones who set the examples.

This week I'd like to introduce you to Mrs. Wilma Steeves. She is a grade two teacher on staff. Mrs. Steeves took her High School

in Sylvan Lake and attended the University of Alberta in Calgary. She taught in a rural school near Eckville. Marriage and a family interrupted her career, but four years ago she again began teaching. Mr. and Mrs. Steeves have lived in Drayton Valley for 15 years and have three children, two in high school and one in junior high. Mrs. Steeves is also a swim enthusiast.

Hobby of the Week: In case Mrs. Steeve's neighbors are wondering, she was out there late one evening hitting slugs over the head with a hammer. Sincerely,
Olga Brown.

Tournament Underway

Some results of the Tennis Club Tournament are now in. In the girl's division, Susan Poloway had to come from behind to defeat Charlene Pinkowski in a match that went three sets and 26 games. Losing the first set 5-7, Susan blanked Charlene 6-0 in the second and remained in command to win the match by taking the third set six games to two.

In the ladies division, Mrs. Lil Mayhew also came back to defeat Mrs. Liz Coppens 6-3, 6-2 after losing the first set one game to six.

The Men's Final has Father Lynch challenging Dr. David Lewis for the first place trophy.

In the Boy's Senior section, four students remain to battle for the championship. They are Pat Coppens, Lee Hurley, Jeff Wardlow and Craig Featherstone.

Once the lights have been installed, we hope to have a night doubles tournament.

Couple Return From Caribbean Holiday

Mr. and Mrs. John Moody returned recently from a 10 day trip to the Island of Aruba sponsored by the Roy and Gibson Companies as a sales prize. A hundred and seventy-eight people were on the flight with approximately 80 dealers and their wives among the group.

Aruba, in the Dutch Antilles is situated off the coast of Venezuela, only 6 degrees off the Equator. With the heat between 80 to 90 degrees and trade winds blowing 30 to 40 miles per hour it took a little time for the group to get used to the hot humid air.

A lazy holiday was enjoyed by the guests with tours, midnight swims and a few going deep sea fishing. Mr. George Foote, the Alberta District Manager caught a marlin and

a baracuda.

The hotels on the island dump their garbage into the sea on the north side of the island which helps to keep the south side free of sharks. The midnight swimming was enjoyed until a manta-ray came on the scene.

The island, only 17 miles long and 8 miles wide, has a quaint Dutch atmosphere. There is no water supply, so 5,000,000 gallons of sea water are distilled each day.

The Imperial and Shell oil companies each have an oil refinery on the island and Dutch and American currency is used.

The travellers returned home after being royally treated to a pleasant and relaxing holiday.

Open Letter to Town Parents

We need help with young people's activities if Drayton Valley is to have an involved youth. Group activities outside the areas of school and home are a necessary requisite to the healthy emotional development of our children after they reach the approximate age of eight years. Their minds are ready to explore that part of the social world that exists outside those that are subject to restrictions of teachers and parents. Drayton Valley is fortunate in having many activities specifically attributed to this need: Cubs, Brownies, Scouts, Guides, Venturers and many sports groups. Adults are needed to staff these organizations which make this type of activity available to our youth.

Working within these groups does not require experience. If only experienced help was applicable the whole scouting movement would have died long ago. A desire to help and two free hours once a week is all that is required.

The most important foundations of a healthy town will dwindle away unless they receive the active support of the town parent group. It is not proper to assume that these functions will continue to function just because they did so last year. People move in and out of town. Personal who have served for a number of years need a break from the demands for a couple of years. We lost nine active members since last year. The town is grieving and so are our young boys. Twelve new socially minded people are needed.

We ask that any adult that is really interested in what happens to our young people and who can spare a little of their time get in touch with either Mr. Bruce Boles of the Group

Committee for Cubs and Scouts at 542-3059, Mike Gormley at 542-3327 or Ron Howatt at 542-3797.

Rotary Club To Sponsor Musical Comedy

The Jubilaires Club of the University of Alberta will be bringing their annual fall production to Drayton Valley on Friday, October 10th. The Jubilaires are well known for past productions of such shows as, Li'l Abner, Once Upon a Mattress, Finnian's Rainbow and others.

This year they are presenting the musical comedy, Stop The World I Want To Get Off, written by the well known playwright Anthony Newley. This musical includes such songs as "What Kind of Fool Am I", "Gonna Build A Mountain", "Once In A Lifetime", and many other popular songs.

The show is directed by a well known Edmonton actor, Wes Stefan and choreographer is Orest Semchuk of the famous Shumka Dancers.

Advance tickets will be obtainable from any member of the Rotary Club.

Drive-In Closes

Due to the inclement weather the Pembina Drive-in has moved indoors for the winter season back to the Cadium Theatre.

Show time 8:00 p.m., Monday through Saturday with Saturday matinee at 2:00 p.m.

MOON LAKE NEWS

The Moon Lake teams "Little Canadians" and "The Bantams" enjoyed a lovely banquet along with parents and friends in the hall on Saturday, September 20th. Mr. Mike Gormley, Recreation Director from Drayton Valley was the guest speaker. Dancing followed until midnight and everyone had a nice time.

Mrs. Blanch Jensen and Mrs. Ethel Jensen are enjoying a visit with their sister Mrs. Lea Pameroy from California. Hope you have a nice stay here Mrs. Pameroy.

Donna Urkevich, daughter of Mr. and Mrs. Nick Urkevich has been enrolled since the beginning of September in the Winnifred Stewart School in Edmonton. Donna likes the school very much and is progressing nicely, the best part is her parents are able to bring her home weekends because of the short distance.

On the evening of September 12th, approximately 53 relatives and friends enjoyed a surprise 10th wedding anniversary for Violet and Frank Lang. Mrs. Hilda Dusterhoff and Mr. Victor Lang presented the couple with a bedspread and clock on behalf of all present.

Violet and Frank would like to thank all who came to help celebrate their special day.

Seems that a 'nasty flu bug' is making it's rounds in our community, let's hope it does not stay too long. Get well wishes are extended to the

ones sick. Hope you are all up and around soon.

The Millbank F.U.A. Local is planning a supper, social and dance in the Moon Lake Hall on Saturday, November 1st. Everyone interested keep this date in mind. More details when finalized will be advertised soon.

The next regular meeting of the Millbank F.U.A. Local is on Saturday, October 4th. All members please attend. The local's grain tester which had been out of order is now back

in good order and is at the home of Mr. George Moroz. It is available to all Millbank FUA members.

GRAIN ACCEPTED FOR TUITION

Students attending the University of Alberta during the 1969-70 academic term will be allowed to pay their tuition fees with grain.

The Board of Governors recently authorized the payment by means of delivery of feed grain to the University for students who would otherwise be unable to fully finance their university education.

School Committee Regular Meeting

A regular meeting of the School Committee of the County of Parkland No. 31 was held in the County Office on Tuesday, September 9th.

Present were Messrs. R. A. Bailey, Peter Bakker, R. Zander, L. N. Miller, George Mann, Ivan Vowk, R. Lent, W. Barth, Don Gylander and T. W. Johnson, School Committee Members, also Superintendent of Schools, Mr. Henry Toews and Assistant Secretary-Treasurer A. W. Boychuk.

The purpose of the meeting was to discuss temporary accommodation in Spruce Grove; statement of need for Drayton Valley and any other pertinent items of business that may arise.

REPORT OF SPECIAL COMMITTEE

The following report was presented by the special committee on temporary accommodation in Spruce Grove:

"It has been found that it is impossible to instruct three class-

rooms on the floor of the gymnasium in the Spruce Grove School. The noise factor and the acoustics are such that instruction becomes next to impossible.

The committee has met this morning to consider an offer by the City of Edmonton for the loan of three portable classrooms now located at the Hardisty School. The City is willing to lend these to us providing that we pay for the cost of moving and that we return these portables in the summer before the next school year begins.

The School Buildings Board has indicated their willingness to pay about half of the cost of moving the buildings here and returning them.

The cost estimate from Lupul Movers in Edmonton is that these can be moved for five hundred dollars (\$500) a unit.

The Building Supervisor suggests that they be moved next to the present ones and that these be connected with cement side-

walks so that they are fairly accessible to the washrooms in the main building.

It is the recommendation of the Building Committee that these three portables be borrowed from the City of Edmonton and that they be moved to Spruce Grove as soon as possible.

It was moved and carried that the report of the Special Committee be accepted and that the recommendations therein to be implemented.

It was moved and carried that application be made to the School Buildings Board of the Department of Education for permission to borrow the 3 portable schools from the City of Edmonton and for financial support to cover cost of the moving.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending September 20, 1969 provided by the Livestock Division, Canada Department of Agriculture.

RECEIPTS	CATTLE&CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	7750	5150	2600	1400	265
Last Week	8900	6585	2315	2000	850
Same Week 1968	10187	6692	3495	1989	360

SUMMARY

Lower receipts were partly due to depressed market prices and improved harvest weather. Sales were mostly replacement cattle and calves. Trade slow at sharply lower prices. Butcher steers were 1.00 to 1.50 lower. Butcher heifers uneven .50 to 1.00 lower. Cows 50 to 1.00 lower. Bulls 50 lower. Veal \$3 to \$4 lower. Replacement steers and heifers 1.00 to 1.50 lower. Stock calves \$2 to \$3 lower.

Slaughter Cattle -- Slaughter steers and heifers of top quality were scarce throughout the week. Choice steers opened the week 25 - 50 lower with sales to 27.50 but sold slow and under pressure as the week progressed to close 1.00 lower at a top of 26.50 for choice handyweights. Butcher heifers followed the same trend with choice kinds dipping to 24.50 at mid week. In closing trade better quality butcher heifers were 50 higher with sales to 25.35. Butcher cows were not too plentiful selling unevenly at prices generally 50 - 1.00 lower on all grades. Good cows were selling at a practical top of 21.50 in closing trade. Bulls were about 50 lower with a few sales to 23.

Replacement Cattle -- With the lower slaughter prices the heavier replacement steers and heifers were mostly 1.00 to 2.00 lower. Good 900-1000 lb. feeders sold mostly in the 27 - 28 range. Stock calves 400 - 500 lbs. were off 3 - 4.00 while lighter weights were 2 - 3.00 lower. There were sales to 45 for good light steer calves and to 36 for light heifer calves in closing sales.

Shipments -- Last week's shipments off the Edmonton Stockyards: East 60 feeders and 330 for slaughter; West 570 for slaughter; Saskatchewan 72 for slaughter and 190 feeders. To Southern Alberta 1070 feeders.

SCHOOL LUNCHES

The school bells have rung once again. The children are up bright and early all ready for school. Mothers will also be up bright and early trying to decide what should go into the lunch box.

There is the ever present problem of trying to accommodate juniors likes and dislikes and still serve a nutritious lunch. A school lunch should include milk, bread, with a serving of meat, fish or poultry, eggs or cheese and a portion of fresh fruit and vegetable.

Let's look at a few suggestions for school lunches - maybe they will help you! Let's first deal with organization in making lunches. Set up a lunch box centre in your kitchen. Keep all supplies needed in that area. Set up an assembly line to prepare sandwiches especially if there are several children in the family or you plan to freeze sandwiches. If you have a freezer, make a weeks supply at a time. Place frozen sandwiches in the lunch box and by noon the sandwiches will be ready to eat and will have kept the rest of the lunch cool and crisp.

Wrapping is also important because dry stale food will often be refused by your children. Small plastic or metal dishes with covers are handy for salads, puddings or fruit. Be sure vegetable finger food is crisp and fresh, wrap lightly and place near frozen sandwiches. Pack jars, whole fruit, and heavy food at the bottom of the lunch box. Place sandwiches on top, tuck surprises around the packages of sandwiches. Before closing the box be sure that a paper napkin is included.

Since more schools now provide milk an insulated bottle can be filled with soup, stew or hot drinks. If your child rebels against drinking milk use milk in soups, or milk pudding and send along fruit juice as a beverage. Sandwiches of course, are the main staple in the lunch box. A variety of fillings including such favorites as eggs, peanut butter, cheese and meat in different combinations will add zest to your child's lunch. Vary the bread used, try using biscuits, rolls, nut breads and other surprises. An idea if you have a hot dog fan in the family is to place a steaming weiner in the soup container in the insulated bottle. Attach a string with instructions to "Pull Me Out" and include relish and mustard on the bun. Quite a surprise for junior. Don't forget fruit and raw vegetables. It's a good idea to peel or section an orange especially for the younger children.

Two booklets are available from my office "Looking Forward to Lunch" and "The Art of Making Sandwiches". A little extra thought and planning for these noontime meals will result in better appetites, better nutrition and better health.

the limitations set forth in the Regulations under the School Buildings Act.

It is to be clearly understood that the above recognition of need does not constitute authority to tender.

The existing Buildings A and B are to be reclassified as Elementary Schools.

Please indicate the number of portable classrooms on site. The above recognition of need is contingent upon the release of these aforementioned portables to other school authorities requiring the need for same."

It is to be noted that although the application was for a complete new building, approval was granted for an addition to the existing Frank Maddock High School.

It was moved and carried that a meeting be arranged with the School Buildings Board of the Department of Education with hopes that they will reconsider the original application for a new High School Building in Drayton Valley.

It was moved and carried that Mr. R. Zander, Mr. Ivan Vovk and Mr. T.W. Johnson together with Mr. R.A. Bailey and Mr. Henry Toews be authorized to meet with the School Buildings Board to appeal their decision on their Statement of Need for Drayton Valley.

It was moved and carried that it be recommended to the School Buildings Committee of the County that a new statement of need be submitted to the School Buildings Board of the Department of Education for additional facilities at Spruce Grove.

SCHOOL BUS OVERLOADS

It was brought to the attention of the School Committee that the buses in the Drayton Valley area are overloaded in addition to the ones in Spruce Grove.

It was moved and carried that, in accordance with the recommendations of the School Bus Committee, applications be called for 2 - 54 passenger school buses for approximately 50 mile routes, one in the Drayton Valley and one in the Spruce Grove area.

BUCK CREEK NEWS

The Community Club would like to thank the children and young people who took part in the Walkathon on September 14. Despite the cold weather, quite a number turned out to walk the 20 miles and raised a nice sum of money for the skating rink.

It seems that a certain brown bear last week decided he would like the Walter Stec family to share their home with him for the winter. When he started peering in their windows and trying the door, they decided that he had to go.

Congratulations to Lloyd and Mabel Nelson on the birth of a nine pound baby boy.

Mr. and Mrs. Stan Melin and Mrs. Oberg spent last weekend in B.C. visiting friends and bringing back fruit and vegetables.

The annual ladies club meeting was held at the home of Mrs. Gail Fowler last Thursday. Newly elected officers are Mrs. Lil Gaily, President; Mrs. Regenwetter, Vice-President and Mrs. Johnstone, Secretary-Treasurer.

Any girls interested in joining Brownies or Guides for the next season please contact Mrs. Gail Fowler at 696-2256 Breton.

The Cubs and Scouts have gotten under way again with 20 cubs and 10 scouts enrolled so far. Bob Barker and Ken Shepard will again lead the cubs and Bill Roos assisted by Lawrence Lind will lead the scouts.

Community club meeting will be held Wednesday, October 1st at 8:00 p.m. at the hall. A good attendance is requested to discuss the skating rink project.

1969 Western Wheat Crop

WHEAT -- A bumper wheat crop estimated at 659,000,000 bushels (629,000,000 last year), is presently being harvested in Western Canada. The increase of 30,000,000 bushels over last year's crop occurred despite a 15% reduction in wheat acreage.

About sixty percent of the crop threshed to date is grading No. 2 Northern. This is the predominating grade required by the major importing countries and is a welcome change from the 1968 crop which was harvested under the most adverse conditions ever encountered by Prairie farmers.

BARLEY -- The 1969 barley crop is estimated to yield 40.3 bushels per acre, for a total of 362,892,700 bushels, (300,000,000 last year). This is a record high in total barley production, although the 1966 crop, with 40.4 bushels per acre, is the highest yield per acre in the last ten years.

OATS -- Estimates on oat production are always complicated by the fact that a significant acreage of oats is cut for hay or silage.

The extent to which this is done varies from year to year and depends on the availability of normal hay supplies. The 1969 oat crop, at 53.0 bushels per acre is a record high yield. A total of 309,899,000 bushels (249,000,000 last year) is the estimate for the Prairies.

Under normal conditions Western farmers would be more than happy with the crops they are harvesting at the present time. Conditions at present however, are far from normal. On most farms storage facilities are bulging with grain carried over from previous years and finding storage for the current crop presents a real problem.

The size of this year's crop represents a real challenge to all those involved in the handling and marketing of western Canadian grains.

Driver Course

The response to the A.M.A. Driver Training Course has been favorable. One class has been filled, with three vacancies left to be filled in a second class. Anyone interested is asked to get in touch with Police Chief Bob Doig by Thursday morning, September 25th.

Fund Reaches \$10 Million Mark

The Three Alberta Universities Capital Fund has reached the \$10 million mark.

Attainment of what D.J. Duff, Campaign Director, described the "magic milestone mark" is "important for more than money alone" in the opinion of campaign committees throughout the province and across Canada. It marks the largest amount of money every subscribed in Alberta to a volunteer effort "for a cause which many people in the beginning felt should be totally financed by government sources".

Campaign planners and officials consider the prospects excellent for achieving the overall \$25 million goal of the five-year capital appeal.

★ BILLBOARD ★

Clubs and associations are invited to use this column to advertise forthcoming events, free of charge -- teas, dances, bingos etc.

Buck Creek Sunday School will hold a Ham and Turkey Bingo and Bake Sale on Saturday, October 4th at 8:00 p.m. at the Buck Creek Hall.

ENTWISTLE NEWS

The saddle to be raffled by the gymkhana club will be on display in the Marshall Wells Store. The draw will be made at the banquet on November 7th in the Evansburg Hall. There are gymkhana days on September 21st and October 5th in the gymkhana grounds.

Mrs. Bohnet has been home for a few days and we hope she is feeling better.

Glennis and Ralph Ostertag are back from their holiday and report having had a good time. Wendy also came home from her grandmother's at Whitecourt.

Lila and Forrest Bancroft are also home from Eastern Canada where they were visiting relatives.

Katie and Joe Eliuk of Breton were in Entwistle on September 12th. Katie was at the Elks Bingo.

Muriel Johnston is in Edmonton for a few weeks at her brother's place.

Sympathy is extended to Dennis Deardoff on the recent death of his father and also to the rest of his family. Dennis's father was buried in Camrose on Saturday.

The Elks Bar-B-Que which was held on September 13th was very well attended and the Elks would like to thank all those who helped in any way. After the supper a dance was held and all reported having had a good time.

When you try to make an impression . . . that's the impression you make.

APPLICATIONS FOR SCHOOL BUS

The School Committee of the County of Parkland No. 31 is inviting applications for the supplying and operating of a 54 passenger school bus to convey pupils to the Spruce Grove schools. The proposed route is in the vicinity of Spruce Grove, involving about 50 miles or less daily and will pay between \$25.00 and \$26.00 per day. The School Committee reserves the right to make minor changes in the route at any time.

Applicants must have a Class "A" Alberta Operator's license (A plus after December 31, 1969) and must possess a reputable character and a good driving record. The school bus must meet all Highway Traffic Board specifications.

Applications should be submitted in writing to the County Office in Stony Plain not later than 10:00 a.m. on Friday, September 26, 1969. The School Committee reserves the right to accept or reject any applications.

A. W. BOYCHUK,
Assistant Secretary-Treasurer,
County of Parkland No. 31
Stony Plain, Alberta.

NOTES From The Lions Den

FRED SCHIPPER
Immediate Past
President

Lion Fred Schipper was born in Wueppels, Germany. He emigrated to Canada in April 1930 at the age of 18. He farmed for several years before coming to Drayton Valley in July 1954 with Brinkerhoff Drilling.

He went to work for Pembina Pipe Line Ltd. in June 1956 as a warehouse man, a position he still holds. In addition to his regular job he also manages the Wen-O-Wan apartments.

He joined the Drayton Valley Lions Club in 1963 and ever since, has been very active in the work of Lionism, with 6 years perfect attendance.

He served as a Director, Vice-President and President. He is now the Immediate Past President and was appointed Zone Chairman for the ensuing year, serving on the Cabinet of Dis-

trict 37B.

Besides his Lions activities he has served on the Miles for Millions Committee for the past 2 years and at one time served on the Civilian Committee for the Air Cadets. He is also an enthusiastic fisherman.

Lion Fred married his wife Helen, 32 years ago and they have 2 children, a son Richard and a daughter Barbara. Richard is an Electro-technician with Atomic Energy of Canada at Chalk River, Ontario. Barbara received her B.A. in Political and Social Science at the University of Victoria last spring, and is at present attending the University of B.C. in Vancouver.

The Schippers are members of the Catholic Church.

Preparing Calves For Fall Sales

By having your calves in the best possible condition, you can make sure that Alberta cattle feeders and our traditional customers from Ontario and the north central United States go away satisfied from this fall's calf sales. A satisfied customer will always return.

Following are a few suggestions from Alberta's supervisor of ROP in beef cattle, J.S. Lore, on selling top quality calves.

1. Sell only dehorned animals.
2. Make sure all male calves have been castrated and are properly healed. Entire males should be sold privately.
3. Immunize calves against the most prevalent diseases. Your veterinarian can advise you on the procedure.
4. Sort and sell calves in size, sex and color groups.
5. Advertise

a) If you feel that your calves

are genetically superior to others, advertise the fact, stating the performance record of their sire and the number of years you have used performance selection in your herd.

b) State the diseases against which your cattle have been vaccinated.

c) State any other management procedures you feel the buyer should know. These include early weaning, parasite control treatment etc.

According to Mr. Lore, a number of cattle producers have adopted pre-conditioning programs. Pre-conditioning usually means weaning calves two to three weeks before they are sold and immunizing them against the more prevalent diseases. To avoid unnecessary stress, consult a veterinarian on the type of immunization program you should follow.

Committee Seeks Suggestions For Arena Ice Schedule

It is around that time of year again when plans are being made for the winter operation of recreation facilities. The Drayton Valley Recreation Board's chief concern at this time is the scheduling of the Centennial Civic Centre for the 1969-70 season.

The Board's Scheduling Committee have been looking into the matter and find that there are more problems to be faced than ever before because of the growth and expansion of all phases of the Civic Centre winter program.

At this time the Scheduling Committee would like to hear from everyone and anyone who is interested in obtaining ice time during the winter months. Also suggestions from the public are being invited as to the formation of the 1969-70 Civic Centre schedule.

All requests and suggestions regarding ice time and scheduling in general should be made in writing to the Drayton Valley Recreation Office prior to October 1st, 1969. Naturally the Committee will not be able to adopt every suggestion or respond to the desire of every request, but they do hope by starting early and giving everyone ample opportunity to bid for their required ice time that a more satisfactory schedule in general might be the result.

The Committee is faced with a difficult job beset with many problems and a definite and final decision in this matter must be reached by mid-October. There is a possibility that any requests and suggestions made now can be adapted in some way into the finalized schedule, however, a month from now will be too late as a jam-packed schedule will be prepared and finalized at that time and it will be impossible to make last minute or mid-season changes to accommodate anyone.

Let us hear from you by October 1st and the Scheduling Committee will see what they can do for you.

"Doctor, I hope it isn't too much trouble to visit me here at home," the woman hopefully telephoned. "Oh no," the doctor replied. "I have another patient nearby so I'll kill two birds with one stone."

BERRYMOOR NEWS

Mrs. Elizabeth Bell has returned to Canada from her recent trip overseas.

Get well wishes are extended to Mrs. F. Vogel, Mr. George Van Ember and Mr. Bill Gilchrist who are all patients in the Drayton Valley Hospital.

Mr. and Mrs. E. Van Ember were Edmonton visitors on Tuesday, September 16th. Mrs. Van Ember's mother, Mrs. Hilda Pischke of Tomahawk, is a patient in a city hospital and they spent some time with her. Hope that you are home again soon, Mrs. Pischke.

Mr. and Mrs. Harry Martin and daughter from Ontario are visitors at the home of Mr. and Mrs. George Martin. They are also busy becoming acquainted with their many relatives in the Berrymoor district.

Mrs. Susan Roberts will be the hostess for a Tupperware Party held in her home on the afternoon of Wednesday, September 24th. Anyone who is interested in this product is welcome to attend.

The Berrymoor Three B's Club will hold its September meeting at the home of Mrs. Dorothy Cropley on Saturday, September 27th. The last two meetings have been very poorly attended. So, come on ladies, let's do better

this time.

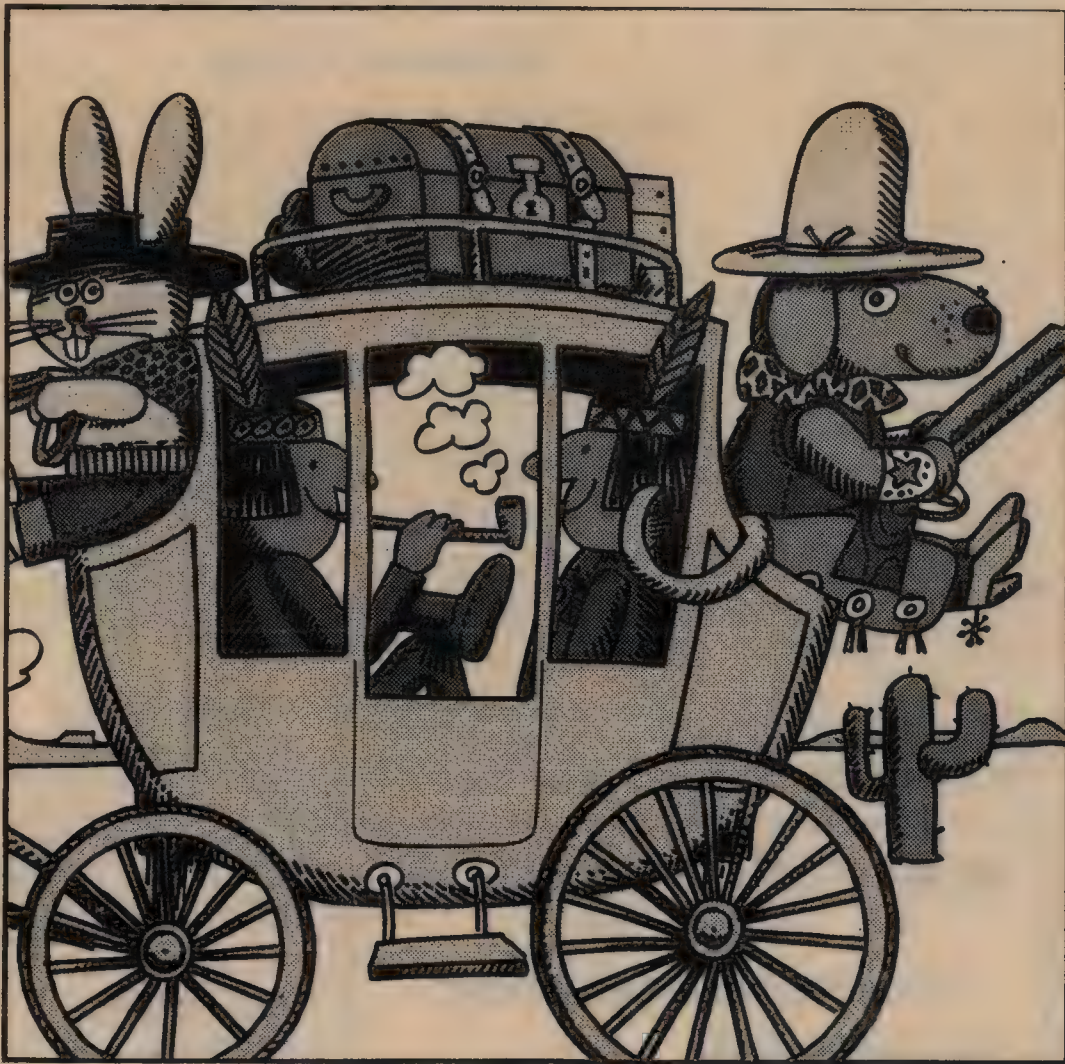

The Golden Spur Gymkhana Club held its final meet of the season at their grounds at Lindale on Sunday, September 14. These events have drawn a very good attendance all summer and also have had a large number of participants. Quite a few members of this club have made a very good showing in gymkhana events held in various parts of the province throughout the season. Another good year in 1970 is wished for this club.

Dennis Haight of Berrymoor received his Junior Citizen Award from Alberta's lieutenant governor, in a ceremony in Edmonton one day last week. Congratulations Dennis and all our best wishes in the future.

The Breton High School graduation exercises and banquet was held on Saturday, September 20th.

Quite a few district residents are on the sick list at home. Among them are Rocky Martin, Mrs. H. Campbell, Mrs. Valera Martin and Miss Terry Haight. Hope that you are soon feeling well again, folks.

Mr. George Spencer of Camwood is spending a few days at the home of Mr. and Mrs. H. Campbell.

Weeklies Name New President

Alberta's weekly newspapermen elected their first woman president Saturday at the windup of the annual conference of the Alberta Weekly Newspapers Association in Edmonton.

New president is Evelyn Rogers, publisher of the Athabasca Echo, who succeeds Ashley Cooper of Vermillion.

First vice-president is Howard Bowes of Leduc and second vice-president is Don Tanner of High River. Walter Mandick of Stony Plain and Jack Parry of Rimbey continue as secretary and treasurer respectively.

Directors elected are: Monte Keith of Sedgewick; Bob Dau of Three Hills, Gerald Scott of Peace River and Walter Koyanagi of Taber.

LODGEPOLE NEWS

A farewell party is planned for Eugene and Myrtle Haire and for Elmer and Phyllis Kupsch on Friday evening, September 26th at the community centre. Everyone is welcome. The Eriksson Combo will be in attendance.

Mr. and Mrs. N. Stewart have as guests for the week, Mrs. Stewart's mother, Mrs. J. Dykens of Saskatoon and a friend Miss Liz Martens of Prince Alberta.

Mr. Ed Moisey called by town before returning to Grande Cache. Their trailer home forded the river without flooding, despite some anxious moments. School has not opened there yet. The service station formerly run by Mr. Moisey is now being managed by Mr. Harry Smith and sons.

Two of our local students were listed among the Grade 12 graduates of Frank Maddock High School. They are Miss Linda Baker and Ernest Smith. Well done.

A bingo night is coming soon at the community centre. Watch for the date.

Miss Helen Dart of St. Albert spent the weekend with the Kupsch's.

Lodgepole school reports that school started with 115 students enrolled.

The Students' Union was formed and the following were elected: President, Sandee Hamilton; Vice President, Brian Schultz; Secretary, Georgina Cotton; Social Conveners, Debbie Beath, Wendy Fager-vold, Randy Brodersen and Doug Boliantz. Members of Executive Council are: Grade 9, Bruce Schmidt; Grade 8, Ricky Androschuk; Grade 7, Roni Schultz; Grade 6, Sandy Tuks.

Agricultural Board Meets

Minutes of meeting of the Agricultural Committee, County of Parkland No. 31 held in the County Office, Stony Plain on Friday, August 29th.

Members present were Chairman Mr. George Mann, Messrs. Les Miller, Roy Lent, Peter Bakker, Ivan Vowk, and Robert Bailey, District Agriculturist Earle Lowe, Agricultural Fieldman William Moelhoff and Secretary Len Webber.

LANDSCAPING OFFICE GROUNDS

Mr. Moelhoff reported that he had employed Jensen Land-

scaping to level and seed the lawn at a cost of 3¢ per square foot, total cost \$1,380.

Mr. Moelhoff was instructed to contact the Town of Stony Plain regarding seeding the area designated for future road widening.

AGRICULTURAL FIELDMAN'S REPORT

The Agricultural Fieldman's report of activities since the last meeting was read and accepted.

Memorandum from Mr. W. Lobay, P. Ag., Head Weed Control and Municipal Plant Industry Programs Branch regarding the N.C.W.C.C. Weed Essay Contest with copies of a brochure outlining rules, etc. attached.

It was moved that a prize of \$25 be offered for the best essay in the County of Parkland.

TREE APPLICATIONS FOR 1970

Considerable discussion took place regarding the inspection of land for tree planting in 1970 to make sure the land has been summerfallowed for one year previous to planting as required in the application form.

It was moved and carried that in future all trees be picked up at the Oliver Nursery by a County truck and the applicants for the trees then pick them up at a central distribu-

tion point.

LEASE OF PARK RESERVE OSBORNE ACRES.

Mr. Moelhoff reported that the Park Reserve on Osborne Acres was badly infested with weeds and he had received a request from Mr. O. Trook to lease the area for the sum of \$1.00 in consideration of controlling the weeds thereon.

It was moved and carried that the request from Mr. Trook be referred to Council with the recommendation that the offer be accepted.

it's got everything - including a low price

The newest thing in the small car world is happening now! It's the Datsun 1000 and it comes in two deluxe models — 2 and 4-door.

Both are sporty small cars that look good, feel right and go great! And practically all they need to run on is your love.

These Datsuns deliver more horsepower and perform better than

other cars anywhere near the price. The new Datsun 1000 produces 62 wild horses and winds up to 84 MPH on the road. And for every gallon you'll go 35-40 miles. What's more, Datsun gives you 100,000 mile reliability.

Datsun 1000 introduces you to a fun way to drive with 4-on-the-floor — and gives you all you can use in the comfort department, including

reclining bucket seats. All the extras are standard equipment.

There are more than 150 dealers coast-to-coast in Canada and \$1,000,000 in parts to back you.

NOTES FOR NURSES

Six nurses met in the Nurses Residence Wednesday, September 10th for their regular monthly meeting.

Main topic of the evening was discussion of "Bill 119", an act respecting the Alberta Council on Nursing. "This Bill will incorporate the Alberta Council on Nursing which will have extensive regulatory powers in relation to the educational requirements, licensing and discipline of the major categories of nursing personnel, namely, registered nurses, psychiatric nurses, mental deficiency nurses, nursing orderlies and nursing aides."

As a result of the discussion two motions were passed, A. "Bill 119 be tabled for a year until the concerned parties have adequate time to study the implications of same," and B. "That a copy of the above motion (A) be sent; along with recommendations brought forth at the meeting, to our local M.L.A. with supporting signatures of concerned individuals."

If you as an individual are involved in the total care of a patient in any way please familiarize yourself with this proposed Act as it may dictate whether you may work in your present capacity or not. The July-August A.A.R.N. Newsletter contains the Bill 119 in its entirety. Read it! This bill was given 1st reading by Provincial Legislature and can be given 2nd and 3rd reading at the next sitting unless the recommendations brought forth at various rallies of concerned groups are considered. To date most of the Registered Nurses are against this Bill and have let the Task Committee know.

We as Nurses Chapters are also asked to study "Dr. Blair's Mental Health Study and submit our recommendations to the Task Committee, Mrs. E. Coombs, Chairman, via Provincial Office by the end of October.

The next regular meeting will be October 8th. All nurses are welcome whether you are actively employed or not.

We wish to announce the appointment of Jim Blake as Manager of the Major Appliances, Furniture, Plumbing and Heating Departments.-Macleods Family Shopping Centre, Drayton Valley.

GRAINARY SALES RACKET EXPOSED

Hon. Ray Ratzlaff, Alberta Minister of Industry and Tourism reports that his department's Licensing Branch is receiving complaints from farmers about fraudulent sales of storage buildings. The complainants have signed a contract and made a down payment on buildings which they have never received.

In view of the prospect of another bumper crop in Alberta, and the subsequent need for storage space, Mr. Ratzlaff strongly recommends that every farmer, if solicited by a salesman of farm buildings, make sure that the company represented and the salesman is properly licensed.

The Girl Guides are meeting every Wednesday evening in the hall at 7:00 p.m.. All girls between 10 and 15 are welcome to attend.

This Friday, September 27th is the first Teen Club meeting and sock hop of the season. The memberships are due again. Membership is 50¢ a year, please bring lunch.

Lloyd and Sharon Putnam returned from their holiday to Mierle Hot Springs, Jasper and Kelowna on Thursday, so

they spent the weekend at Bon Accord. Lloyd felt so good after his short rest he did some plowing for his brother. Wouldn't it be nice to have a brother like that?

Bobby and David Kmyta have joined the gun club. I hope you will find it very interesting and educational boys.

Happy birthday this week to Donna Kelly September 29th and Pat Darragh October 1st. The gymkhana banquet and

Curlers to Meet

All lady curlers and prospective members are reminded to keep Wednesday, October 8th open. A general meeting will be held in the curling rink at 8:00 p.m. to discuss the coming season's activities.

dance is on October 17th. If you would like tickets please phone me at 542-2252. I still have a few tickets left and I am sure I can get more if I need them.

SEKURA AUCTIONS

MARKET REPORT

With a large run of cattle on offer at the regular sale on Wednesday, September 17th, buyers were more selective due to the lower fat cattle trade.

Stock steer calves sold from 36.00 to 42.00 per cwt.

Heifer calves sold from 29.00 to 35.00 per cwt.

Feeder steers sold from 27.00 to 33.00 per cwt.

There was a large run of approximately 150 yearling heifers which sold from 24.00 to 27.50 per cwt. with Jules Polard of Wildwood and Dal Ranching of Wetaskiwin taking the bulk of these.

Medium cows traded from 17.00 to 21.00 per cwt.

Baby calves sold from \$40.00 to \$70.00 per head.

Good weaners sold from \$14.00 to \$19.25 per head.

EVANSBURG NEWS

Due to some delays in the mail deliveries, news must be mailed to the paper on Wednesday instead of on Thursday as was previously done. So, anyone with news items they wish me to send in, please be sure to let me know by noon on Wednesdays.

A recent visitor at the Bruner home was Mr. Mike Schirer of the Peers district. He stopped in for a cup of coffee and a chat, memories of years ago on the homesteads were talked about.

Miss Beth Ann Tucker entertained some of her friends at a very enjoyable end-of-the-summer party held at her place last week.

Only a very small number of boys showed up for the first meeting of the Wolf Cub Pack on September 11th. So, parents of Cubs and Scouts, a Group Committee will likely be called soon to re-organize, please try to attend when notified of this meeting.

The members of the 4-H Club held their regular meeting at the home of Mr. and Mrs. John Udchitz. In the absence of most of the executive, Dawn Brown held the chair. Plans were begun for the annual banquet which the clubs' hope to hold jointly sometime in the fall. The next meeting will be the annual re-organization meeting in the Evansburg School. At this meeting old members will re-join and new members will be welcomed to join in the fun and projects of the Beef and Field Crops Clubs.

The Gymkhana Club held its regular meeting on September 8th. They made some plans for their annual banquet.

Miss Lynn Marshal, a grade twelve graduate of this year's class, passed her grade twelve with an average of 83%, the highest average percentage that has ever been achieved in grade twelve in the Evansburg High School. Congratulations Lynn.

KEEPPHILLS NEWS

Three weddings of interest to this community took place this month. Brenda Clark at Jasper, who was born in Keepphills. Dixie Vanderwell of Stony Plain whose parents have lived here and Marilyn MacDougall of this area.

Doug and Linda Walker, stationed with the army in Germany for the past three years, expect to be back in Canada on December 2nd.

Nora Dombrosky spent Monday in Duffield for the birthday of her nine-year-old granddaughter Monica Dombrosky. She then went into Edmonton.

Birthday greetings go to Mable Bryant, Joyce Dombrosky and Dannie Raymond all of this area and congratulations to Laura and Eddie Bacon on their 8th wedding anniversary.

Mr. and Mrs. A. Homme of Burtonville accompanied Mr. and Mrs. G. Raymond to Manitoba last week where they visited their oldest sister and brother-in-law Mr. and Mrs. W. Tyler.

DRAYTON VALLEY TODAY

Drayton Valley merchants invite you to shop the modern facilities available in the town.

You can expect friendly, courteous service, reasonable prices and wide variety in the well-stocked business places.

Drayton Valley keeps moving ahead with your help. Your patronage is appreciated and increased sales mean improved facilities and selection.

We're working to make Drayton Valley an even better Community. Thank You for helping us.

From a small start in 1953 Drayton Valley has grown to a thriving community of 3,600 in the years since. Those years have been good to Drayton Valley. Paved streets have replaced the mud, in the modern community that now offers every professional, business and recreational facility.
